Description	Pay the full amount now and lock in your propane price (Auto-Fill Customers) at \$1.899 PER GALLON or lock in your propane price (Will-Call Customers) at \$1.949 PER GALLON (plus sales tax and compliance fees, if applicable). If you pre-purchase propane but do not take delivery by April 30th, 2011, excess pre-purchase payments will remain as a credit on your account to be used toward subsequent propane purchases at current market rates. (You cannot carry over the fixed price to the next season. If you need more gallons than you pre-purchased, additional gallons will be priced at the market price at the time of delivery.)	For a one-time non-refundable fee of \$59.95 (tax included), your propane price (Auto-Fill Customers) will not exceed \$2.049 PER GALLON or, (Will-Call Customers) \$2.099 PER GALLON (plus sales tax and compliance fees, if applicable) between the time you sign up and April 30th, 2011. (In order to qualify for this plan, you must have a tank size of four hundred seventy-five gallons or greater. If your account is not paid in full within sixty days from the date of delivery, a \$29.99 reinstatement fee will be assessed to your account.)	This plan takes out the guesswork and lets you lock into a fixed price of \$2.049 and a fixed monthly payment for the 2010-2011 heating season. Enroll by July 9th, 2010 and make ten, even monthly payments beginning on Aug. 20th, 2010 and ending with your last payment on May 20th, 2011. If you miss two consecutive budget payments, a \$29.99 reinstatement fee will be assessed to your account.
